Avera 
Cancer Institute
Navigation Center

NOBODY SHOULD FACE CANCER ALONE.

That's the philosophy behind
the Avera Cancer Institute
Navigation Center.

The Avera Cancer Institute
Navigation Center is dedicated
to being an around-the-clock
source of comfort and support
for anyone whose life has
been touched by cancer.

- **“Will my insurance cover my cancer care?”**
- **“Should I be doing a clinical trial?”**
- **“Where can I find an affordable place to stay during treatment?”**
- **“I feel so alone.”**

CANCER CARE FOR EVERY PATIENT

Regardless of where you live or where you are receiving cancer treatment, the Navigation Center will help find resources and services close to home so you feel supported every step of the way.

That's part of the Avera mission: to care for the whole person — mind, body and spirit.

Answer
questions about
diagnosis and
symptoms

Provide
emotional
support

Connect you
to education
and resources

24-HOUR CANCER CARE

When you or a loved one has cancer, the worry or effects of treatment don't stop after hours or on the weekend. Neither should cancer care. The Navigation Center offers 24-hour support, seven days a week. Call **888-422-1410** or **605-322-3211**.

RESOURCES, SUPPORT, EXPERTISE

The Navigation Center focuses on reducing burdens and overcoming barriers for patients by providing personalized support. Navigators provide useful information to patients, such as:

- Locating oncology and wellness experts locally, regionally and nationally
- Connecting patients to financial resources or insurance experts
- Identifying emotional support, including coping strategies, local support groups or online support networks
- Finding transportation services or lodging if needing care away from home
- Identifying resources to educate patient or loved ones on cancer diagnosis, treatment, survivorship or caregiving
- Connecting to a care provider or medical services as well as cancer prevention services
