Box 517
Sioux Falls, South Dakota

Dear Canon Jones:

The Bishop's Committee of Grace Episcopal Church would be very happy to have the Rev. Mr. Adams assigned as the priest of the Madison church. September 1 would be a satisfactory time for him to begin. The vicarage can be vacated by November 1, if we get a commitment that he will come. We would like to know as soon as possible if the Adams will be coming in order that we can be looking for satisfactory housing for them.

Also, we would like to know what would be required in the way of housing until the vicarage is ready and if storage space will be needed for furniture.

It is our understanding that the following will be the arrangement for salary and housing.

Salary	\$5320.00
Vicarage	1080.00
	<hr/>
	\$6400.00

Fifty percent of this is \$3200.00, the amount for which Madison would be responsible. Grace Church would be credited the \$1080.00 for furnishing the vicarage, leaving \$2120.00 to be paid in cash by the Madison church toward the salary. We would pay 50 percent of the priest's pension and insurance expenses also.

Will it be possible to have someone come for Holy Communion in July and August?

Yours truly,

(Mrs. Harry)
