EPISCOPAL

SEWARD, NEBRASKA

Mrs. H. Bowes,
521 North Chicago,
Madison, S. Dak.

Dear Mrs. Bowes,

Thanks for your letter of July 18, and I hope you will continue to be happy about our coming!!!

Since your school also opens on Aug 29th, we would like, if at all possible, to come a few days before that date, possible around the 25th, so that we can get David duly enrolled. However I realize that you may have a problem in this matter. We expect to go to Mrs. Adams home from July 25th to about Aug 12th, since we have not had any "time out" this summer. If you should need to write to me there the address is....

c/o Mr. W. T. Reed,
5607 Woodward Ave.
Downers Grove, Ill. 60515.

I was glad to receive your information about the church school. As at present of course I feel somewhat out of touch with your situation, and to spend a considerable amount of your maney even before I get there! I should also like to know the reasoning behind using both the Seabury Series and the E. C. Fellowship Series. I would feel more certain of myself once I had sat down and talked the matter over with the teachers. If we can be in Madison by Aug 25th there might still be time to discuss this matter fully, depending on what day the church school starts, and still order the materials in time.

The E.C.F. Series Course 6 is designed for those of confirmation age, ie grade 7. Here at Seward we have taken those who have been confirmed into the E. Y. C. and had a Jr. and Sr. high group with some success. This might take care of the question you mentioned. If you think the materials should be ordered I will be near Chicago, and could have it mailed out to you, but I would prefer to do as I have already stated.

Sincerely,

Leonard Adams
