Dear Policyholder:

Upon checking our records we find that although Church Finance Corporation paid your insurance to Niagara Fire Insurance Company for the period of 10/1/83-84, we have not as yet received payment from you.

In good faith we saw to it that your insurance protection remained in force, and we remind you that the enclosed bill remains outstanding on your account.

We look forward to your payment of this overdue premium in the near future.

Yours truly,

CHURCH FINANCE CORP.
