

The Diocese of South Dakota

2 November 1990

The Right Reverend
Craig B. Anderson, Ph.D., Bishop

The Reverend Allen Lewis
4705 Wildwood Circle
Sioux Falls, SD 57105

Dear Father Lewis,

It was good having you and the delegates from Grace Church present at Diocesan Convention earlier this month. Our time together helped us to understand our shared ministry throughout the state and Diocese of South Dakota. An important part of that shared ministry was reflected in the resolutions that we passed, the changes in structure through Canon, and our commitments to ministry through adopting the 1991 budget.

In our budget reviews and the adoption of the 1991 budget, income was designated from various areas both in and outside the diocese. An important part of our ongoing financial support for ministry program in the diocese comes from your church family. The enclosed "Bishop's Challenge" grows out of our budget decisions which point to our ministry commitments.

1991 promises to be an exciting year given our ongoing efforts with L.I.F.E. (Leadership In Faithful Evangelism). The Evangelism Commission, along with other organizations within the diocese, will aid in our growing stronger in our commitments and support of the ministry of Jesus Christ as embodied in the Church.

I am asking you to meet the enclosed challenge as we look forward to increased L.I.F.E. and ministry within the Diocese of South Dakota.

This letter comes with thanksgiving for you and members of your congregation for what has been a stimulating and satisfying year of ministry in 1990. As we approach the Advent of the new Church year, you will be in my prayers and thoughts.

In Christ,

Craig B. Anderson
