Re: Bishop Robertson's decision to withdraw permission for  
deacons to distribute the sacraments ~~accept~~ *except* in "emergencies".

The enclosed letter to Bishop Robertson conveys our concerns regarding the Bishop's decision to withdraw permission for deacons to distribute the sacraments, ~~accept~~ *except* in "emergencies". If you, our sister churches, agree that this decision is inappropriate, especially for those churches who do not have a full-time priest, we ask that you join us in asking the Bishop to reverse his decision.

*Are we asking him to reverse this decision?*

We suggest you join us by either adding your signature to the enclosed, or by writing your own letter to the Bishop. As Sr. Warden at Grace Episcopal in Madison, our congregation has asked me to also meet with the Bishop. If you agree with our position on his decision, we suggest that the Sr. Wardens from each of the churches listed above join me in making an appointment to meet personally with the Bishop to ~~attempt to persuade him to reverse his decision.~~ *discuss his decision.*

Please advise me of your decision as soon as possible. My home phone is 605-256-4998, and my address is: 1009 Twin Oaks Dr. Madison, SD 57042.
