Ladies at Grace Episcopal Church

I have a "big" question from my sister Evelyn - she lives in Spearfish.

She wants to know what year the Church was built and what year the Colored Windows were put in.

I know my Grandfather Larrison & 2 of Grandmas brothers - Boyds are the ones who built the Church - But the door is the wrong end and I

remember the added building was done (not the date). We children for Sunday School all sat in Pews. I'm kinding 2⁰⁰ for all your work in looking this up. I wish it could be more.

I've been sick but am better and hope my recuper will bring me to medium this summer. Love Cecilia
