June 15 - '65  
about \$175 of the quota paid this year of  
\$1300 quota for this year. The last  
half is here & we are getting quite a  
bit behind.

The attendance has remained about  
the same as last year. Several  
pledges are behind. Reminders or something  
should be done to get pledges in.  
Bill Newcomb was asked to see Mr. Kupper

Looks as tho we will have about the  
same number of Church School members  
& about (5) classes.

Rev. Richards suggested 3-4-5-6 year olds  
have their Church School on a day other than  
Sunday morning to eliminate confusion in  
the classrooms. Other alternatives would require

building more facilities which may not work out well.

We discussed a youth group for the older  
children of the congregation for activities  
to keep their interest after confirmation.

- Discussed possibility of a building program  
for our Church or possible remodeling for the future.  
Mr. Richards will be gone on vacation for last Sunday &  
June & three in July. - Perry Brown & James Engstrom will  
take some services.

The Committee suggested that a system be established by which 2 new members will be elected <sup>each year</sup> for a 3-year term ~~each year~~ to replace 2 outgoing members. One of the new members will be from the relatively newcomers to the congregation, the other from the more ~~long-time~~ <sup>long-time</sup> residents. Carolyn Bowers & Dean Hackett were ~~asked~~ <sup>appointed</sup> to ask Jim Caughron and Francis Sly to accept nomination under this new ~~passed~~ system which received a favorable vote from the committee.

Our failure to meet our 1965 quota was discussed at length. ~~Fr. Father~~ Richards pointed out that people are giving more, that we have
