Treasurer's report read by Mrs D. Boyd (Copy
attached) Approved.

Fr Adams reported on restoration projects and reported that all improvements to date have been paid. Balance on hand \$351.59. Projects remaining for completion include Carpet & installation for 2nd floor and reinforcing floor in east end of Church.

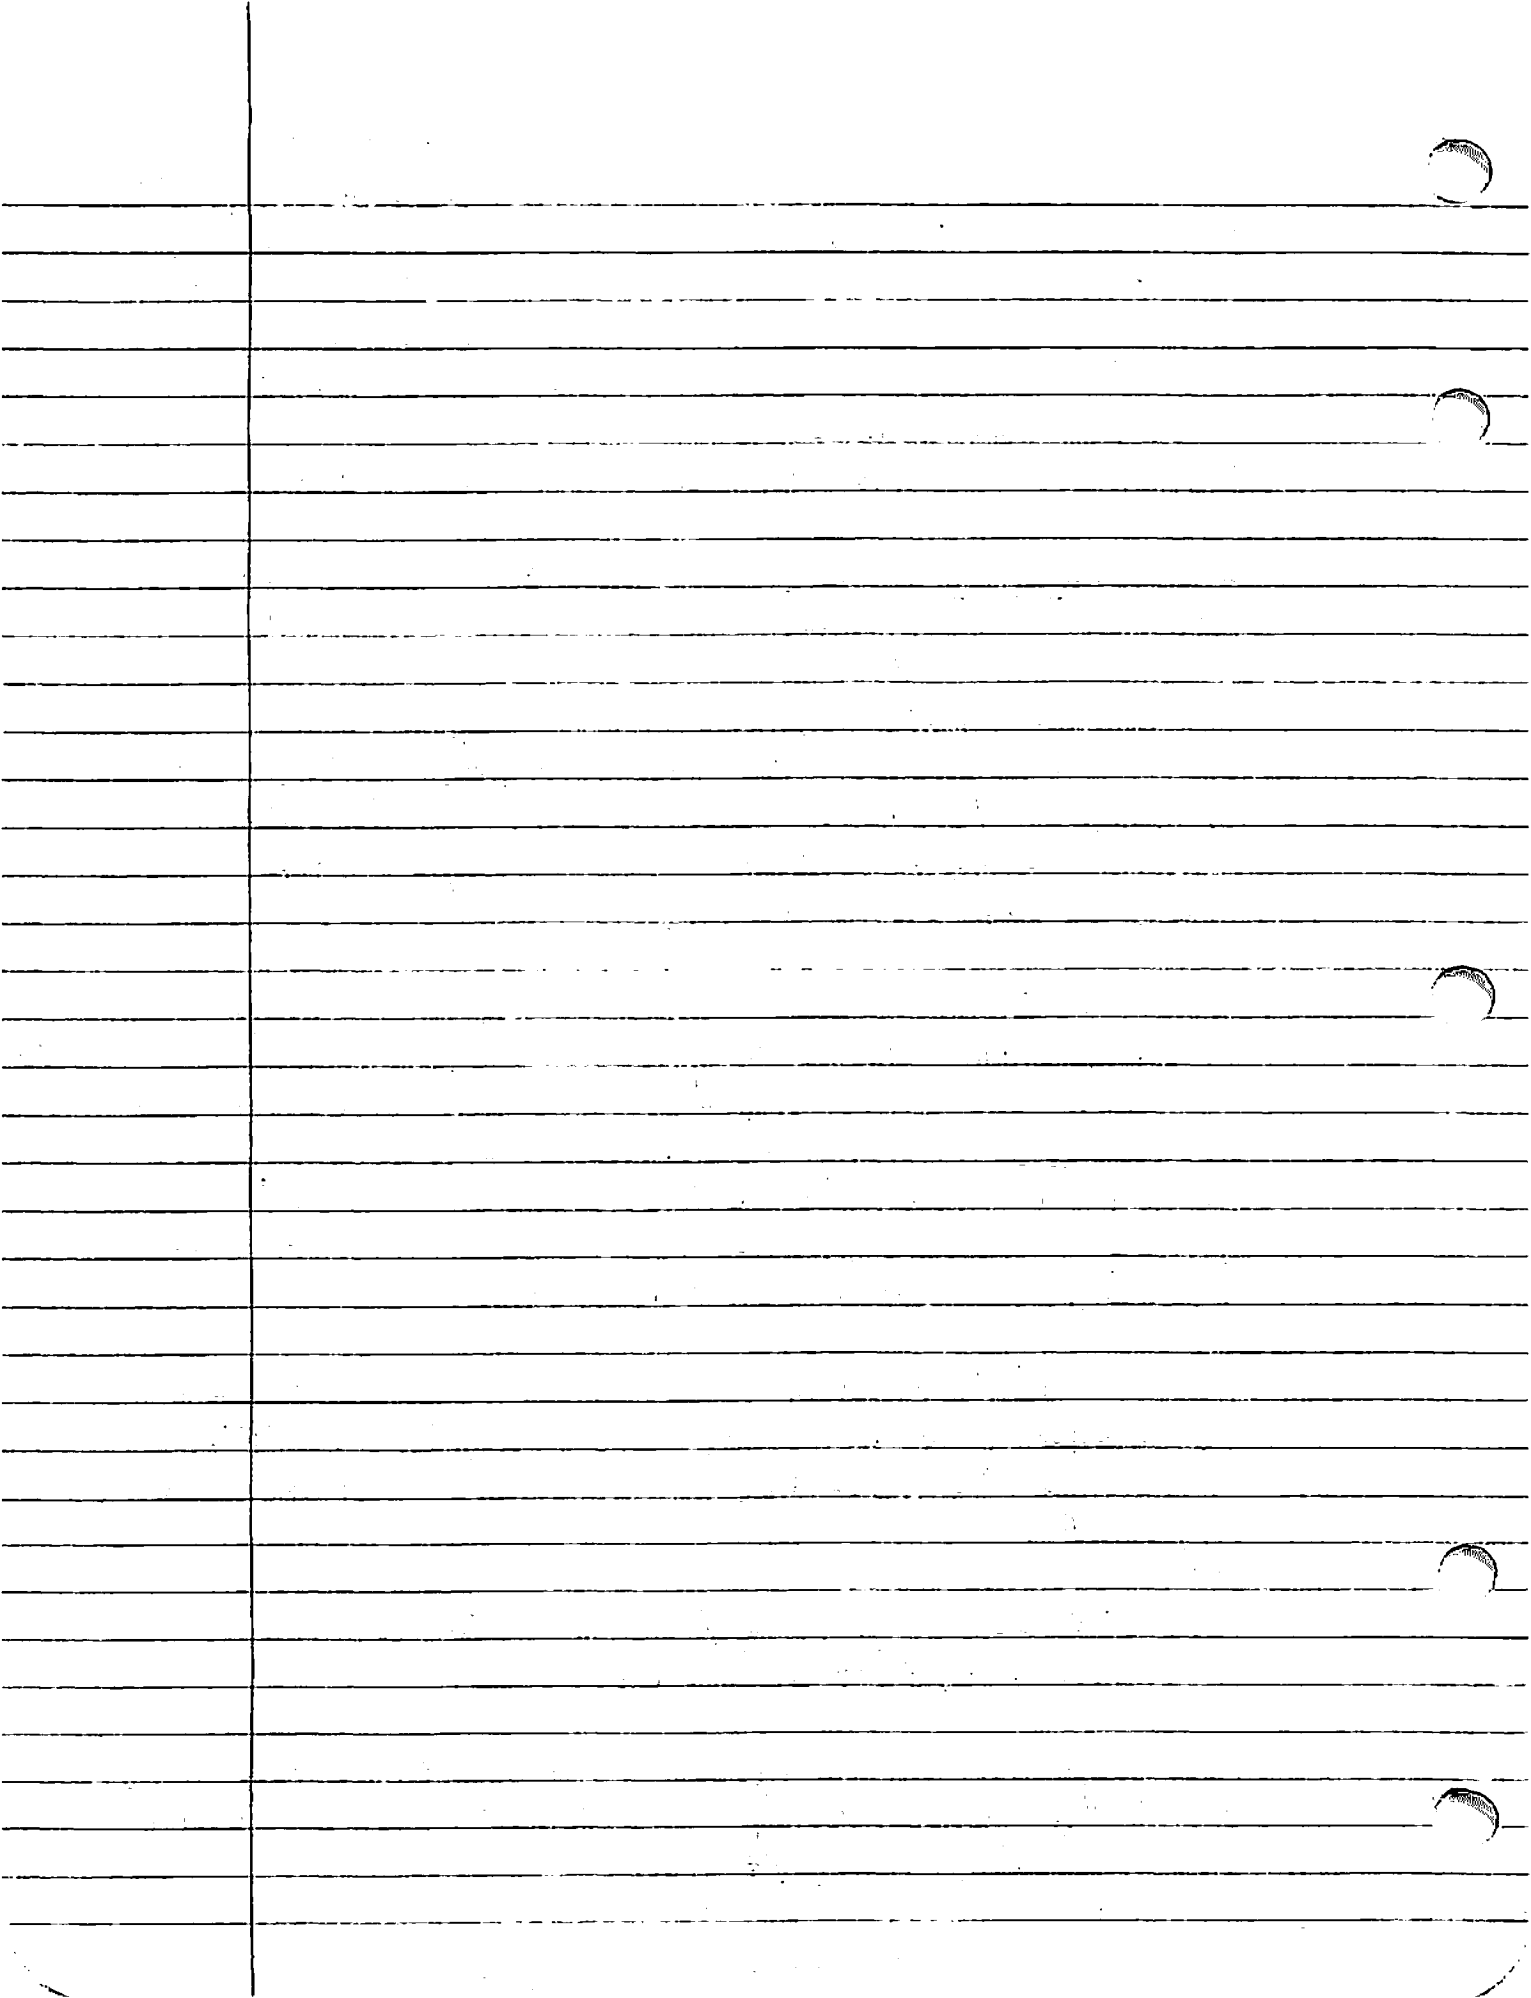

Matter of Carpeting was discussed. It was suggested by C. Skinner that the red Carpeting in main sanctuary be replaced by new Carpeting and then use the red Carpeting could be used in halls of 2nd floor. Rooms on 2nd floor could be Carpeted with large remnants which would serve same purpose as the more expensive — estimated savings would be about \$3,500.

Proposed that C. Skinner make best arrangements possible for Carpeting 2 rooms on 2nd floor ^{and first floor} as soon as possible using his own discretion as to color, cost and material. Approved.

Estimated Cost of Carpeting & pad for altar and runner to be about \$450~~00~~ or more!

Mrs Boyd advised group that pledge Card are in. Discussed possibility of one-member Canvas. Follow same procedure as last year.
