Need new person to clean church.  
Merrill moved the Churchwomen take  
care of it. (Fr. Adams gave examples  
of churches which have 1 family per  
month assigned.) Suggested the women  
meet June 8 after church to decide.

West side of rectory needs painting.  
Merrill suggested we ask Walt Hill  
to investigate this & other church  
repairs and consider launching  
a fund drive. ~~At~~

Homer thinks we should ~~consider~~  
look at the rectory, then consider what  
needs to be done. Merrill withdrew  
previous suggestion until we  
see the rectory.
