Meeting called to order with Prayer. Work on the roof was reported at a standstill while waiting for Shingles. Carpeting is ordered but no downpayment required. David reported he has the screen for the bell tower and hoped to get it this week with Rev. Edwards helping.

Eric said polukonis should be contacted to finish the window but David said he had to paint the frame first. David contacted the city about taking out a tree and we also discussed taking out the Sumac.

It was reported Homer Meyers would be leaving and we discussed a pullock for a Wednesday night and we will invite the Venerable Dean Davis. Finally date & plans to be made at Guild.

Rev. Edwards suggested we make a list of birthdays of members & send cards. Was motioned by Jean & seconded by Lola.

It was suggested that maybe we have a service during the week other than in the evening. Our Sunday Services have increased from average of 15 to average of 30. What can we do for those to make it more meaningful - still take Prayerful study and thought.

Eric is still looking into our organ but has not had much success.

Eric made a motion we look into becoming a Parish. Jean seconded it and it carried.

It was motioned by Jean & seconded by Eric

that we have a public open house between
Thanksgiving and Christmas - when we get
all our projects complete to let the public
know what our church does. Motion carried.
Jean & Eric will be Chairpersons for this.
Eric made a motion we adjourn

Lola Boyd, Sec Pro Tem.
