

April 22, 1979

The Annual Meeting of Grace Episcopal Church was held following a potluck supper at the Guild Hall at five P. M.

The meeting was conducted by Rex Page.

Treasurers report was given by Lola Boyd also the sale of the house was announced by Lola.

The house was sold for the same amount as we had purchased it for and the \$22000.00 that we received for the rectory we had sold is in the Diocese in Sioux Falls and will remain there until such time as we purchase another Rectory. Bishop Walter Jones is supposed to send a letter to us telling us that all expenses incurred in selling the house and maintaining it while it was in our possession will be returned to us. Such expenses were keeping heat and lights in the house and closing the legal matters when the house was sold.

Election of officers and Board Members followed The four Lay Readers consisting of Merrill & Beverly Hunter, Rex Page, & Eric Johnson are members plus the President of the Womens Guild Viola Cole Treas. Lola Boyd and Sec. Mildred Rumrill and three new members were added those being. Susan Lauck, Harold Rethorn and John Johnson. *John Hunter.*

John Johnson offered to make repairs on the ~~WALKWAY~~ rope on the bell a and the sign on the lawn in front of the church.

Rex appointed a committee to meet with the Bishop to plan the future of the Church and try somehow to have a Priest to serve us on somewhat of a schedule rather than just a rare occasion as it has been the past several months. The committee consists of Violet Witt, Eric Johnson, Harold Rethorn and Susan Lauck.

If he has ^{no} one to send here we want to know where we stand on finding one of our own that he will approve of.

There being no other business motion by Violet Witt seconded by Harold Rethorn that we adjourn.
