

June 1, 1980

There was a meeting for members of Grace Episcopal Church held following church services. The meeting was conducted by Merrill Hunter.

First business taken up was changing the time of the service for the summer months

Motion was made by Eric Johnson, seconded by Berniece Rethorn that we change the time to nine A. M. a vote was then taken on whether it should be nine or ten.

The vote ended in favor of ~~ten~~ nine.

A report was then given by H. Rethorn on the project of repairing the north wall of the interior of the church.

Mr. Rethorn reported that he had an estimate from Rick Heilman to do this work as such. The plaster would be removed and either sheet rocked or replastered and taped where needed. Then all the walls would be texture sprayed so that it will all look alike. The cost of this will be \$1000.00 unless he finds the wall in worse condition than he anticipates at this time. He will also repair the window casings at this time.

The finish will be a sand float finish. He will be ready to start the work in three weeks. A motion by Rex Page seconded by Bev. Hunter that we go ahead with this project motion carried.

It was then reported that the Ladies of the church group will give \$300.00 to renovate the kitchen.

M. Hunter offered to write a letter to the Diocese for some of the interest money on our money to do this work with.

Next business was to secure a Priest for Communion once a month. Merrill announced that he had secured the service of Dean Davis of Sioux Falls for the last Sunday in June.

He also reported that that Father Thornburn from Brookings, Father Weston of Flandreau and Father Wright of Sioux Falls will all be available at some time.

It is the wish of the members of Grace Church to no longer have Father Taylor of Soo Center Ia.

A motion by Mr. Delay seconded by Susan Lauck that the Bishops Committee handle

this situation. The motion carried.

A meeting of the Bishops Committee will be held following church services next Sunday June 8, 1980.

There being no other business the meeting adjourned.
